FINANCIAL DEPARTMENT.

SUBJECT—Noting, in the Savings Bank Ledgers and in the Annual Statements, of dates on which Pass Books are presented at the Treasury for entry of interest.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 139, dated 18th October 1928.

To—All Treasury Officers.

According to Rule 45 of the Mysore Savings Bank Rules, Savings Bank Accounts, in respect of which no transactions have taken place for certain specified periods, have to be treated as "Dead" and no subsequent deposit or withdrawal can be allowed by Treasuries in the case of such accounts, without the previous orders of the Comptroller. For the purpose of this rule, the presentation of the Pass Book for the entry of interest is treated as a transaction (*vide* Note 1). At present, it is not possible for the treasury to prepare a correct list of Dead Accounts, since it keeps no record of the date on which Pass Books are presented at the treasury for entry of interest. The correctness of the list prepared by the Treasury cannot also be verified by the Audit Office for the same reason.

2. To ensure the correct preparation of Dead Account Lists by Treasuries, taking into account the dates of presentation of Pass Books for entry of interest, and to facilitate the check of such lists in the Audit Office, the following instructions, approved in Financial Secretary's letter No. Fl. 738—G. F. 8-28-2, dated 26th July 1928, are issued for the guidance of Treasuries:—

(1) The dates on which Pass Books are presented for entry of interest should be noted by the treasuries in the Savings Bank Ledgers and a certificate given at the foot of the Dead Account Lists that they have been prepared after referring to such entries in the Ledgers.

(2) In the Annual Statement sent to this office, the date on which interest for the previous year was entered in the Pass Book, should be noted against each account in the remarks column.

3. The Treasury Officers are requested to see that these instructions are invariably followed and the Dead Account Lists are prepared correctly in future.

S. SHAMMANNA,
Comptroller.

COMPTROLLER'S OFFICE.

Dated 1st November 1928.

The following Press Communique issued by the Controller of the Currency, The Treasury, Calcutta, dated 19th October 1928, (received with his letter No. Cy. 2311, dated 19th October 1928) *re* the issue of hundred-rupee Currency note printed in India at the Nasik Press is published for information of all Treasury Officers and the Public.

B. S. RAGHAVENDRA RAO,
For *Comptroller.*

PRESS COMMUNIQUE.

The hundred-rupee Currency note printed in India at the Nasik Press will shortly be issued from the Madras Currency Office, and thereafter from other Currency Offices as the stock of the notes printed in England is exhausted.

2. The general appearance of the note is similar to that of the existing hundred-rupee note. The only difference is that the groundwork of the tablets on which the numbers appear is changed from the brown purple colour to a fine light green pattern in order to allow the numbers to be more easily seen.

The Treasury,
Calcutta, the 19th October 1928.

H. Denning,
Controller of the Currency.
